SUBJECT: DSS/Breeze Warranty Registration

AUTHOR: J. Adams

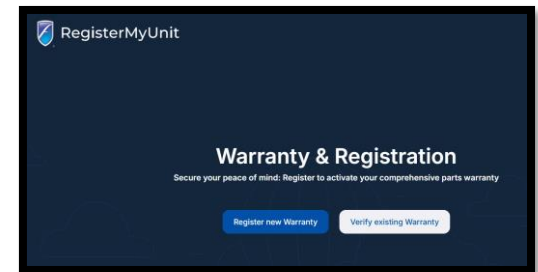

New Ductless & Breeze Warranty Registration Site is LIVE!

Friedrich is excited to announce our new warranty registration site: **registermyunit.com** is live for ductless mini-split, multi-split, and Breeze universal heat pump warranty registrations.

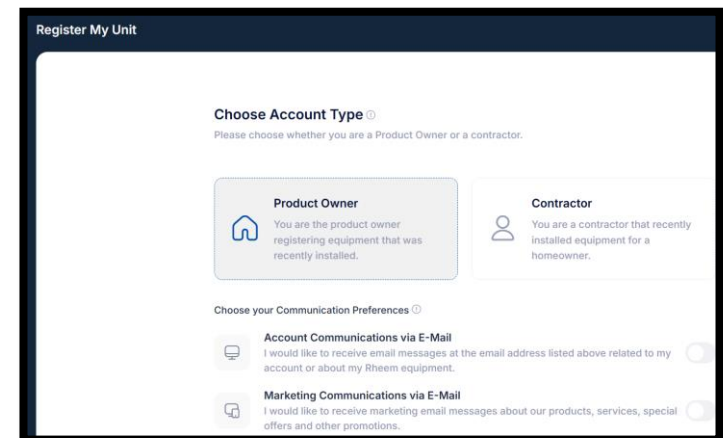

Registermyunit.com offers additional ease of use for new owner registrations as well as continues the registrant's ability to print a warranty registration confirmation on demand. Owners and Contractors can also utilize the site to verify an existing warranty after the unit has been registered.

The warranty registration card in all 2025 A2L DSS & Breeze products has been updated to reflect the new registration site. The terms of our warranties has not changed. Please find a copy of the new ductless warranty registration posted at Friedrich.com
